4.School Landtrust/CSIP/ Cell Tower update (Ed Tech Presentation)

Katie Dewey Hill presented the technology Brookwood currently has and how it is used.

Goals for the current school year:

1-1:1 –Each classroom have access to dedicated devices. Kindergarten would like an ipad cart. This would cost approximately \$11,000.00. There is already money set aside for app purchases. Money is needed from both the cell tower and fundraising monies. The goal is to purchase this year so they are ready for next year. We will vote in our April meeting.

2-Student training-Digital citizenship, etiquette, protocol.

Corrie reminded us of the March 30th district due date for 2016-17 CSIP and Landtrust Plan.

We had to pull a first grade aide due to lack of funding. Corrie Barrett would like to use cell tower monies to put the aide back in the class for seven hours a week. No one objected to this use of cell tower money.
